13 February 2009

Dear Sir

**Main Drainage in Kettleburgh Suffolk?
Planning and Development Issues**

I enclose two letters sent to your Customer Services, one a few days ago the other over a year ago.

Although I never received a response to my first letter I do hope to receive a response to my latest letter as the stormwater and foul sewer drainage in our village is deteriorating. In 2008 my main concern was the ability of service providers to respond to housing development and comments regarding the frailty of the pumping station were secondary, however a year later the emphasis has reversed.

I would appreciate it if you could expedite a response to my letters.

Yours sincerely

TE Jessop CEng, CEnv, MICE

Chairman, Kettleburgh Parish Council
